re: Global Crossing Ltd. Adversary Proceeding

Dear Sir/Madam:

I am writing with respect to the bankruptcy adversary proceeding lawsuit brought against your firm with the hope of representing your company in this matter.

We are a boutique law firm specializing in bankruptcy litigation. My background includes a law clerkship with a bankruptcy judge and successful representation of defendants in over one hundred committee, debtor or bankruptcy trustee initiated lawsuits.

We are currently forming a group of defendants in the Global Crossing Ltd. case for the purpose of defending these various actions by creating leverage, sharing information and dividing legal costs. We represent companies nationally through our network of local bankruptcy attorneys.

I encourage you to call us for our background information and client list. We may represent clients on either a contingency or on a per hour basis. Please visit our website at www.rolandjones.com for more detailed information on bankruptcy related matters.

For a no cost analysis of your case and your defenses, as well as an estimate of the costs involved, please call or email to request our Defense Worksheet Form.
