Thanks.

I'll use this e-mail to make the title change because the letter was not clear.

Thanks again.

Oh, sorry, please remove the d/b/a and use Buckeye Telesystems, Inc. only.

Tommy, we have a copy of a letter dated 5/13/04 to you from Technologies Mgt for this company. They say the company name on the original filing was in error, but we cannot tell from this letter what the correct name should be. Please advise if we need to correct the docket title and MCD.

Thanks.
Kay
