**Re: Notices of Adoption of Interconnection Agreements Under Section 252(i)  
Dockets Nos. 040163-TP; 040164-TP; 040165-TP; and 040166-TP.**

Dear Ms. Bayó,

On February 23, 2004, MCI metro Access Transmission Services LLC, MCI  
WORLD COM Communications, Inc., Intermedia Communications Inc., and  
Metropolitan Fiber Systems of Florida, Inc. (collectively "MCI") filed with the Florida  
Public Service Commission notices of adoption under section 252(i) of the  
Telecommunication Act of 1996 the *Interconnection, Resale and Unbundling Agreement  
between AT&T Communications of the Southern States, Inc and GTE Florida, Inc.*, n/k/a  
Verizon Florida Inc. (Verizon), dated July 18, 1997, as amended in its entirety to date.

MCI would like to clarify two items per staff's request. First, the aforementioned  
MCI entities' Notices of Adoption include collocation, which is part of the AT&T  
interconnection agreement. Second, at the time the AT&T interconnection agreement  
originally was filed, AT&T was known as AT&T Communications of the Southern  
States, Inc., and it is now known as AT&T Communications of the Southern States, LLC.

If you have any questions, please contact me at your earliest convenience.

Sincerely,

Donna Canzano McNulty

Re: Adoption Under Section 252(i) of the Telecommunications Act of 1996  
FPSC Dockets Number 040166-TP; 040163-TP; 040164-TP; and 040165-TP

Dear Ms. Ross,

On February 23, 2004, the following MCI entities filed with the Florida Public Service Commission notices of adoption under section 252(i) of the Telecommunication Act of 1996 the *Interconnection, Resale and Unbundling Agreement between AT&T Communications of the Southern States, Inc and GTE Florida, Inc.*, n/k/a Verizon Florida Inc. (Verizon), dated July 18, 1997, as amended: MCImetro Access Transmission Services LLC, MCI WORLDCOM Communications, Inc., Intermedia Communications Inc., and Metropolitan Fiber Systems of Florida, Inc. (collectively "MCI").

By letter dated April 30, 2004, Verizon notified MCI and the Commission Clerk that it does not oppose at this time MCI's adoptions of the AT&T/Verizon interconnection agreement. In its letter, Verizon, however, made several statements of positions regarding various topics, attempting to change and add material terms to the MCI agreement that do not exist in the AT&T/Verizon agreement and therefore are inconsistent with Section 252(i) of the Telecommunications Act of 1996. MCI reserves any and all rights to dispute any and all of Verizon's statements of position. Further, MCI takes the position that nothing asserted in Verizon's statements of position changes, modifies, alters, or should be used to construe or interpret, the underlying AT&T/Verizon interconnection agreement as adopted by MCI.

Please contact me if you have any questions regarding this matter.

Sincerely,  
  
Donna Canzano McNulty
