ORDER SUSPENDING TARIFF REVISIONS

BY THE COMMISSION:

On March 22, 2004, Florida Power & Light Company (FPL) filed a petition for approval of proposed revisions to its Application Form for Medically Essential Service. Pursuant to Section 366.06(3), Florida Statutes, the Commission may withhold consent to the operation of all or any portion of a new tariff or tariff revision, delivering to the utility requesting it a reason or written statement of good cause for doing so within 60 days. We require additional time to review the proposed tariff revisions and make an informed decision about them. For this reason we will suspend operation of the tariff revisions pending that review.

It is therefore,

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's proposed tariff revisions to its Application Form for Medically Essential Service are suspended pending further review. It is further

ORDERED that this docket shall remain open.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
