Adam,

We agree with BellSouth and Sprint. It is our understanding that the FCC is prepared to rule on the separate petitions pending in CC Docket No. 01-92, including the Sprint Petition for Declaratory Ruling. While the more general Notice of Proposed rulemaking pending in that docket may take some time to resolve, it is our understanding that the FCC will rule on the individual petitions separately and in the near future. Thus, we believe the Florida Public Service Commission should continue to hold the proceeding in abeyance until FCC action on the Sprint Petition in FCC Docket No. 01-92.

RE: Docket No. 020868-TL; Petition by BellSouth Telecommunications, Inc. for investigation of wireless carriers' request for BellSouth to provide telecommunications service outside BellSouth's exchange.

Staff would like a status update on this matter. It has now been held in abeyance for over 1 year awaiting the resolution by the FCC of Sprint's Petition for Declaratory Ruling, CC Docket No. 01-92. To my knowledge this matter is still pending before the FCC. Should the Commission continue to hold this docket in abeyance at this time? Please let me know so staff can address the scheduling of this docket accordingly.

It is BellSouth's opinion that this matter should continue in abeyance until such time as the FCC rules on Sprint's Petition for Declaratory Ruling. Thank you. Nancy White
