HAND DELIVERY

Re: Docket No. 030444-WS; Application by Bayside Utility Services, Inc., for Rate Increase in Bay County, Florida
Our File No.: 30057.57

Dear Ms. Bayo:

Bayside Utility Services, Inc., provides the following supplemental response to Staff's data requests dated May 3, 2004:

DATA REQUEST NO. 20:

Provide a list of the vehicles for Sandy Creek. Include the model & make of each vehicle, the vehicle identification number of each vehicle, the purpose (i.e. meter reading, lift station monitoring, etc.) of each vehicle, and the employee who uses each vehicle.

RESPONSE: Alvin Bishop is assigned to vehicle #0024, a 2000 Chevy S-10. He uses his assigned truck in carrying out his assigned tasks, whether in Bayside or Sandy Creek. This includes; daily visits to the system to check the operation of the lift stations, resolve service orders, read meters, perform cutoffs and turn ons, make repairs, respond to after-hours emergencies, answer customer complaints or questions, install meters, etc.

Vehicle #8691 is a vacuum truck purchased last year. It is used at both systems to operate and maintain the wastewater collection system as needed. It was allocated to Bayside at the time of the purchase.

During the test year, David Lorre Swift was assigned vehicle #9764. Because of its high milage and general condition, it was assigned to be used as a spare truck at Mid-County in

2003, after Mr. Swift's current truck was purchased. It is no longer used at either Sandy Creek or Bayside.

Should you have any questions regarding these responses, please do not hesitate to give me a call.

Very truly yours,

VALERIE L. LORD
