Re: Review of Tampa Electric Company's waterborne transportation contract with
TECO Transport and associated benchmark; FPSC Docket No. 031033-EI

Dear Kay:

During the course of Joann Wehle's deposition in the above proceeding Schef Wright
inquired into certain matters that we believed that Schef and I had agreed would not be a subject
of inquiry. We also agreed to review the matter and, if that was the case, to go back and have
those questions and answers stricken from the deposition transcript. We have done that and are
in agreement that the following portions of Joann Wehle's deposition transcript should be
stricken:
