Utilities in Lee County)

Docket No. 040552-50

APPLICATION FOR NAME CHANGE FROM
DEL TURA PHASE I, LLC TO
DEL TURA PHASE I, LLC D/B/A DEL TURA UTILITIES

Del Tura Phase I, LLC (“Del Tura”), holder of wastewater Certificate No. 298-S in Lee County, pursuant to Fla. Admin. Code R. 25-30.039, by and through its undersigned attorney, hereby files this Application for Name Change from Del Tura Phase I, LLC to Del Tura Phase I, LLC d/b/a Del Tura Utilities, and as grounds states:

1. The complete name, address and type of business entity of the certificated utility are:

Del Tura Phase I, LLC
a Florida limited liability company
18621 North Tamiami Trail
North Ft. Myers, Florida 32903

2. The utility proposes to operate under the fictitious name “Del Tura Utilities.” The Utility’s new certificated name would be Del Tura Phase I, LLC d/b/a Del Tura Utilities. There would be no change in the type of business entity under the new name.

3. Del Tura is the owner of both the certificated utility and of the manufactured home community wherein the utility customers live. Currently, one invoice billing for rent, wastewater, and other services is sent by Del Tura to each community resident. Del Tura is changing its billing system such that the community residents (customers) will be sent a separate bill for wastewater utilities. In order to accomplish this change, and to readily distinguish the

wastewater billing account from the rent invoice, the wastewater utility billing will be made under the name "Del Tura Utilities."

4. The fictitious name registration was filed on May 28, 2004 with the Florida Secretary of State, a copy of which is attached hereto as Attachment "A."

5. Attached hereto as Attachment "B" is a statement signed by an officer of Del Tura that the ownership and control of the utility and its assets will not change under the proposed name.

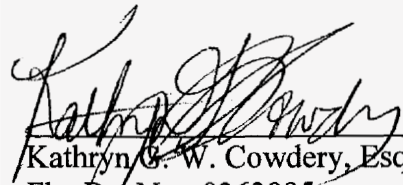

6. A proposed notice to be sent to the customers of the utility informing them of the change in Utility name is attached hereto as Attachment "C."

7. An original and two copies of a proposed tariff reflecting the name change are attached hereto as Attachment "D."

8. Del Tura Phase I, LLC is currently a part of pending Docket No.030998-WS, Joint application for approval of the transfer of majority organizational control of Del Tura Phase I, LLC and CWS Communities LP as the result of the acquisition by Hometown America, L.L.C. of the stock of Chateau Communities, Inc. Docket No. 030998-WS is scheduled to go to Agenda on August 17, 2004. The current, original Certificate No. 298-S has been filed with the Florida Public Service Commission as part of that pending docket.

WHEREFORE, the Utility respectfully requests that the PSC approve this Application for Name Change from Del Tura Phase I, LLC to Del Tura Phase I, LLC d/b/a Del Tura Utilities, and such other relief as the PSC may deem appropriate.

DATED this 15th day of June 2004.

NOTICE OF UTILITY NAME CHANGE
TO DEL TURA PHASE I, LLC
d/b/a DEL TURA UTILITIES

Notice is hereby given that on _____, 2004, the Florida Public Service Commission approved the name change of the utility serving the Del Tura manufactured home community from Del Tura Phase I, LLC to Del Tura Phase I, LLC d/b/a Del Tura Utilities. The name change occurred in order to identify the certificated wastewater utility operations separate from the manufactured housing community operations, including for purposes of sending out wastewater utility bills separate from the rent bills. The name change will have no effect on the rates, management or utility service provided.

If you have any questions, please direct them to Robert Munro, Utilities Director, Del Tura Phase I, LLC, d/b/a Del Tura Utilities, 18621 North Tamiami Trail, Ft. Myers, Florida 32903, or at (407) 275-8009.

RULES AND REGULATIONS

- 1.0 GENERAL INFORMATION - These Rules and Regulations are a part of the rate schedules and applications and contracts of the Company and, in the absence of specific written agreement to the contrary, apply without modifications or change to each and every customer to whom the Company renders wastewater service.

The Company shall provide wastewater service to all customers requiring such service within its certificated territory pursuant to Chapter 25-30, Florida Administrative Code and Chapter 367, Florida Statutes.

- 2.0 POLICY DISPUTE - Any dispute between the Company and the customer or prospective customer regarding the meaning or application of any provision of this tariff shall upon written request by either party be resolved by the Florida Public Service Commission.
- 3.0 APPLICATION - In accordance with Rule 25-30.310, Florida Administrative Code, a signed application is required prior to the initiation of service.
- 4.0 APPLICATIONS BY AGENTS - Applications for wastewater service requested by firms, partnerships, associations, corporations, and others shall be rendered only by duly authorized parties or agents.
- 5.0 REFUSAL OR DISCONTINUANCE OF SERVICE - The Company may refuse or discontinue wastewater service rendered under application made by any member or agent of a household, organization, or business in accordance with Rule 25-30.320, Florida Administrative Code.
- 6.0 EXTENSIONS - Extensions will be made to the Company's facilities in compliance with Commission Rules and Orders and the Company's tariff.
- 7.0 LIMITATION OF USE - Wastewater service purchased from the Company shall be used by the customer only for the purposes specified in the application for wastewater service. Wastewater service shall be rendered to the customer for the customer's own use and shall be collected directly into the Company's main wastewater lines.

In no case shall a customer, except with the written consent of the company, extend his lines across a street, alley, lane, court, property line, avenue, or other way in order to furnish wastewater service to the adjacent property even though such adjacent property may be owned by him. In case of such unauthorized extension, sale, or disposition of service, the customer's wastewater service will be subject to discontinuance until such unauthorized extension, remetering, sale or disposition of service is discontinued and full payment is made to the Company for water service rendered by the Company (calculated on proper classification and rate schedules) and until reimbursement in full is made in full to the Company for all extra expenses incurred for clerical work, testing, and inspections.

ORIGINAL SHEET NO. 8.0

WASTEWATER TARIFF

(Continued from Sheet No. 7.0)

- 8.0 CONTINUITY OF SERVICE - In accordance with Rule 25-30.250, Florida Administrative Code, the company will at all times use reasonable diligence to provide continuous wastewater service and, having used reasonable diligence, shall not be liable to the customer for failure or interruption of continuous wastewater service.

If at any time the Company shall interrupt or discontinue its service, all customers affected by said interruption or discontinuance shall be given not less than 24 hours written notice.

- 9.0 TYPE AND MAINTENANCE - In accordance with Rule 25-30.545, Florida Administrative Code, the customer's pipes, apparatus and equipment shall be selected, installed, used and maintained in accordance with standard practice and shall conform with the Rules and Regulations of the Company and shall comply with all Laws and Governmental Regulations applicable to same. The Company shall not be responsible for the maintenance and operation of the customer's pipes and facilities. The customer expressly agrees not to utilize any appliance or device which is not properly constructed, controlled and protected or which may adversely affect the wastewater service; the Company reserves the right to discontinue or withhold wastewater service to such apparatus or device.

- 10.0 CHANGE OF CUSTOMER'S INSTALLATION - No changes or increases in the customer's installation, which will materially affect the proper operation of the pipes, mains, or stations of the Company, shall be made without written consent of the Company. The customer shall be liable for any change resulting from a violation of this Rule.

- 11.0 INSPECTION OF CUSTOMER'S INSTALLATION - All customer's wastewater service installations or changes shall be inspected upon completion by a competent authority to ensure that the customer's piping, equipment, and devices have been installed in accordance with accepted standard practice and local Laws and Governmental Regulations. Where Municipal or other Governmental inspection is required by local Rules and Ordinances, the Company cannot render wastewater service until such inspection has been made and a formal notice of approval from the inspecting authority has been received by the Company.

Notwithstanding the above, the Company reserves the right to inspect the customer's installation prior to rendering wastewater service, and from time to time thereafter, but assumes no responsibility whatsoever for any portion thereof.

WASTEWATER TARIFF

(Continued from Sheet No. 8.0)

- 12.0 PROTECTION OF COMPANY'S PROPERTY - The customer shall exercise reasonable diligence to protect the Company's property. If the customer is found to have tampered with any utility property or refuses to correct any problems reported by the utility, service may be discontinued in accordance with Rule 25-30.320, Florida Administrative Code. In the event of any loss or damage to property of the Company caused by or arising out of carelessness, neglect, or misuse by the customer, the cost of making good such loss or repairing such damage shall be paid by the customer.
- 13.0 ACCESS TO PREMISES - In accordance with Rule 25-30.320(2)(f), Florida Administrative Code, the company shall provide the duly authorized agents of the Company access at all reasonable hours to its property. If reasonable access is not provided, service may be discontinued pursuant to the above rule.
- 14.0 RIGHT OF WAY OR EASEMENTS - The customer shall grant or cause to be granted to the Company, and without cost to the Company, all rights, easements, permits, and privileges which are necessary for the rendering of wastewater service.
- 15.0 CUSTOMER BILLING - Bills for wastewater service will be rendered quarterly as stated in the rate schedule.
- In accordance with Rule 25-30.335, Florida Administrative Code, the utility may not consider a customer delinquent in paying his or her bill until the twenty-first day after the utility has mailed or presented the bill for payment.
- A municipal or county franchise tax levied upon a water or wastewater public utility shall not be incorporated into the rate for water or wastewater service but shall be shown as a separate item on the utility's bills to its customers in such Municipality or County.
- If a utility utilizes the base facility and usage charge rate structure and does not have a Commission authorized vacation rate, the utility shall bill the customer the base facility charge regardless of whether there is any usage.
- 16.0 DELINQUENT BILLS - When it has been determined that a customer is delinquent in paying any bill, wastewater service may be discontinued after the Company has mailed or presented a written notice to the customer in accordance with Rule 25-30.320, Florida Administrative Code.
- 17.0 TERMINATION OF SERVICE - When a customer wishes to terminate service on any premises where wastewater service is supplied by the Company with wastewater service, the Company may require reasonable notice to the Company in accordance with Rule 25-30.325, Florida Administrative Code.
