Subject: FPSC Docket No. 040553-TX; Petition for designation as eligible telecommunications carrier (ETC) by Coastal Telephone Connections

Dear Mr. Smith,

As per our discussion on June 15th, I have included below several links that I believe may be useful to you in your ETC applications here at the Florida Public Service Commission. Additional information appears warranted regarding the areas you are seeking designation and how such services would be provisioned (i.e., resale, unbundled network elements, or facilities). As Ms. Keating noted, Docket No. 040553 has been opened to address the merits of your petition, and you may supplement your petition in that docket. Should you have any further questions, please feel free to contact me or Beth Keating.

Sincerely,

Gregory Fogleman
