RE: Docket No. 040342-SU - Application for staff-assisted rate case in Pinellas County by Ranch Mobile WWTP, Inc.

On May 12, 2004, the RCA preliminary audit determined that Ranch Mobile WWTP, Inc. (Ranch Mobile) had revenues of \$185,468 in 2003. Therefore, pursuant to Section 367.0814(1), Florida Statutes, the utility is not eligible for the staff-assisted rate case (SARC) filing. Although Ranch Mobile is considered a Class C utility by the National Association of Regulatory Utility Commissioners (annual revenues of less than \$200,000), it is not eligible for a SARC because the utility's gross revenues are above \$150,000.

The utility has not paid a filing fee. There has been no agency action taken and staff has determined that there are no pending issues that need to be addressed by the Commission. Therefore, pursuant to 2.07-C.2.c., Administrative Procedures Manual, this docket may be

closed.
