RE: Docket No. 040574-TP, BellSouth Petition for Expedited Review of Growth Code Denial by the NeuStar Pooling Administrator for the Winter Park rate center (Magnolia).

On June 17, 2004, BellSouth filed a petition requesting that the Commission overturn NeuStar's decision to deny numbering resources for the Magnolia switch (ORLDFLMADS1) located in the Winter Park rate center. In accordance with Commission Order PSC-02-0352-PAA-TL, which approved an expedited process for code denials, we have examined the BellSouth petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a customer in need of immediate numbering resources;
- 2) The carrier has shown that it will be unable to provide services to a potential customer because of the Pooling Administrator's denial of the numbering resources; and
- 3) A potential customer cannot obtain service from the provider of his/her choice because the carrier does not have the numbers available.

CMP _____ Since the three required criteria of Order PSC-02-0352-PAA-TL have been met, please
