Allied Universal Corporation and Chemical Formulators, Inc. ("Allied/CFI"), pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, hereby files this Notice of Intent to Request Specified Confidential Classification and states the following:

1. On July 2, 2004, Allied/CFI filed its Amended Petition to Vacate Order No. PSC-01-1003-AS-EI Approving, as Modified and Clarified, the Settlement Agreement between Allied Universal Corporation and Chemical Formulators, Inc. and Tampa Electric Company ("TECO") and Request for Additional Relief ("Amended Petition").

2. Portions of Allied/CFI's Amended Petition contain information that is clearly, or perhaps may be viewed by TECO or Odyssey Manufacturing Company ("Odyssey"), to constitute proprietary confidential business information. Such information has been redacted from Allied/CFI's Amended Petition filed with the Commission's Director, Division of Commission Clerk and Administrative Services. A copy of the unredacted pages of Allied/CFI's Amended Petition (and attached exhibits) containing the proprietary confidential business information (highlighted in yellow) have been provided under separate cover in an envelope marked

FPSC-COMMISSION CLERK

“CONFIDENTIAL” filed on this date with the Director, Division of Commission Clerk and Administrative Services.

3. Allied/CFI has noted previously in its Response to the Office of Public Counsel’s Motion for Determination of the Proper Treatment of Deposition Transcript of Mr. Patrick Allman (“Response to OPC’s Motion”), filed June 1, 2004 in this docket, that specific rate information and information related to negotiations between Odyssey and TECO toward a Contract Service Agreement (“CSA”) under TECO’s Commercial Industrial Commercial Service Rider (“CISR”) Tariff has been filed in the public record in the pending circuit court proceeding, Allied Universal Corporation and Chemical Formulators, Inc. v. Odyssey Manufacturing Company and Sentry Industries, Inc., Miami-Dade County Circuit Court Case No. 01-27699 CA 25 (Eleventh Judicial Circuit).¹ Allied/CFI further stated in its Response to OPC’s Motion that due to the termination of TECO’s CISR tariff program, the justification for treating CISR rate and CISR negotiation information as confidential should no longer exist.² Allied/CFI also suggested that the Prehearing Officer, in addition to ruling on OPC’s Motion, should include in her ruling a general and prospective determination of how future filings in this docket should be treated with respect to their confidential classification.

4. However, unless and until such a ruling is issued, Allied/CFI will continue to seek confidential treatment for the type of information that was treated as confidential in Docket No.

¹ Paragraph 2 of Allied/CFI’s Response to OPC’s Motion.

² Paragraph 6 of Allied/CFI’s Response to OPC’s Motion.

5. Pursuant to Rule 25-22.006(3)(a) and (4), Florida Administrative Code, Allied/CFI will file a Request for Confidential Classification within 21 days of the filing of this Notice of Intent.
