**BELLSOUTH TELECOMMUNICATIONS, INC.'S  
MOTION FOR EXTENSION OF TIME**

BellSouth Telecommunications, Inc. ("BellSouth"), pursuant to Rule 28-106.204(5), Florida Administrative Code, requests that the Florida Public Service Commission ("Commission") grant BellSouth a seven (7) day extension of time or until July 13, 2003, in which to respond to discovery propounded by Supra Telecommunications & Information Systems, Inc ("Supra"). In support of this motion, BellSouth states the following:

1. Supra propounded its Second Set of Interrogatories and Requests for Production to BellSouth at 4:59 p.m. on July 25, 2004.
2. Pursuant to Pursuant Order No. PSC-04-0459-PCO-TP ("Procedural Order"), objections to discovery are due within five business days of service of the discovery and responses are due within 10 calendar days of service of the discovery.
3. On July 2, 2004, BellSouth timely filed its objections to Supra's discovery.
4. Pursuant to the Procedural Order, BellSouth's responses to the discovery are due on July 6, 2004.

5. Because of the recent holiday and the undersigned's travel schedule, BellSouth needs an additional seven (7) days time to respond to Supra's discovery.

6. No party would be prejudiced by this brief extension of time because no hearing date or testimony deadline date has been established in this docket. Further, because of the expedited discovery deadlines established in the Procedural Order, even with the extension, Supra will receive responses to its discovery approximately 13 days prior to when they would otherwise be due.

7. BellSouth attempted to contact counsel for Supra to ascertain Supra's position regarding BellSouth's request. BellSouth was unable to obtain a response prior to the filing of this Motion.

**WHEREFORE**, for the foregoing reasons, BellSouth respectfully requests that the Commission grant BellSouth a seven (7) day extension of time or until July 13, 2004 in which to file their Post-Hearing Briefs.

Respectfully submitted this 6th day of July, 2004.

BELLSOUTH TELECOMMUNICATIONS, INC.
