Attention: Case Management System, Blanca S Bayo

Dear Sirs or Madam:

We have received your fax concerning Case Assignment and Scheduling Record. We know that it is concerning the Pay Phone that we had on property. The pay phone was destroyed less than a month after it was installed. The telephone line was cancelled and according to our reading the PAA Order - PSC denotes that the certificate was canceled.

After trying for months to get the certification the phone was destroyed in an act of vandalism a month after the phone service was implemented. We have no problem with the cancellation of this certificate.
