Re: **Docket No. 040371-WS** - Application by Lake Utility Services, Inc. for amendment of its water and wastewater certificates in Lake County

Dear Ms. Lord:

In examining the filing in this docket, staff engineer Tom Walden found that the newspaper publication, Exhibit L, has not yet been filed. You confirmed this in a voice message to him earlier this week, where you stated that the newspaper had failed to complete the publication.

Once the proof of publication is completed and furnished to the Commission, and the time for protests has expired, staff will proceed on the docket.

Thanks for the phone call.

Sincerely yours,

Patti Daniel,  
Supervisor of Certification
