Re: Year 2004 Local Competition Report Data Requests; Electronic Copy of Responses

Dear Ms. Bayo:

In response to a telephone call from Ms. Angela Mathis of the Florida Public Service Commission (the "Commission"), I have enclosed a floppy diskette containing electronic copies of the responses of TelCove Investment, LLC and TelCove of Jacksonville, Inc. (collectively, "TelCove") to the Commission's Year 2004 Local Competition Report Data Requests.

As I understand it, because we have already submitted hard copies of the complete and redacted versions of TelCove's responses to the data requests, we are only being asked to submit complete versions of the data requests (and not redacted versions) in soft-copy form. TelCove does not intend to waive any of its confidentiality requests by submitting its responses in this fashion, and if the Commission requires soft-copies of the redacted versions of the responses in order to protect the confidentiality of the information therein, we will be glad to provide redacted soft-copies upon request.

Thank you, and if you have any questions or concerns, please call.

Sincerely,

Edward T. Depp
