Subject: FW: Confidential Responses - CLEC data request

Kay,

Pursuant to our phone conversation . . .

The following documents are no longer to be considered confidential per the email below:

- DN 07747-04 TX082 The Other Phone Company (paper)
- DN 07756-04 TX137 BellSouth Long Distance (paper)
- DN 08135-04 TX137 BellSouth Long Distance (disk)

For the following documents, there were 3 major piece parts filed: Word document (data request), Excel Tables, and a copy of the company's response to FCC Form 477. Per the following email, the Word document and the Excel Tables are no longer to be considered confidential but the copy of FCC Form 477 continues to be considered confidential.

- DN 07738-04 TX244 Ernest Communications (paper)
- DN 08131-04 TX244 Ernest Communications (disk)

**Subject:** RE: Confidential Responses Received

Angela and Sue,

Through further discussions relative to the confidential filing requests for eight (8) clients, we will be modifying the requests. Although of primary consideration is the narrative portion of the filing, we may also find it necessary to reconsider some of the confidential filings provided on the tables.

As soon as this further review is complete I will provide you with an update.

I apologize for the delay and changes.
