Re: Quarterly report of customer interruptions and curtailments.

Dear Ms. Bayó:

Commission Rule 25-6.018(3) was amended in April of this year to require quarterly reports of customer interruptions and curtailments irrespective of whether any such events occurred during the quarter. The amendment appears to apply to the reporting quarter beginning July 1, 2004. However, in the event July 1<sup>st</sup> may be considered the date after which the initial quarterly report is due, this letter is intended to serve as the report of Progress Energy Florida, Inc. for the quarter ending June 30, 2004.

During the reporting quarter, no interruptions, curtailments, or optional billing events were experienced by customers receiving service under Progress Energy's Interruptible General Service (IS) or Curtailable General Service (CS) rate schedules.

Please acknowledge your receipt of the this filing as provided in the Commission's electronic filing procedures. Thank you for your assistance in this matter.

Very truly yours,

s/ James A. McGee
