Dear Mr. Beach:

We appreciate your interest in the subject project, unfortunately this project has been put on hold indefinitely. We would hope that, if we are able to re-activate this project, you may consider working with us again. We understand that the F.D.E.P. Drinking Water Program required you to obtain bonds some time ago. Please advise your bonding company that these bonds can be released.

If you require any additional information or have any questions, please feel free to contact me.

Sincerely,

James Hodges
