Subject: Docket No. 040001-EI

It has come to my attention this afternoon that FPL's estimated/actual true-up filing in the above docket was misdelivered today and so we will not be able to make a paper filing today. Attached please find a PDF file of the FPL's estimated/actual true-up petition and the letter transmitting same to your office. I understand that the petition is eligible for the FPSC's new electronic filing procedure. I am not enclosing FPL's prefiled testimony and exhibits that support the petition, because I understand that they are not eligible for this procedure. A complete electronic copy of the filing (petition, testimony, exhibits and letter of transmittal) has been e-mailed to the principal Staff members responsible for this docket, and a paper copy of the complete filing will be delivered to your office tomorrow. I apologize for the inconvenience.

Best regards, John Butler
