COMMISSION
CLERK

Reasons

1. I feel that change is not always good.
2. I do not want any interruption in my service
3. I feel my electric cost will rise.
4. I will have to read my meter monthly.
5. I disagree with the agreement deciding who I pay.
6. I feel I have the right to disagree with some one, on some Commission deciding what's best for me and my property.
