Yes, Marguerite, the DN 10036-02 should have been DN 09925-02. Since the information can be returned to the Company, there will be no need to further extend confidential classification. If you want me to I will confirm this with FPL. Thanks for picking this up.

Hi Martha.

CCA rec'd. your 7/27/04 memo to close the above dockets & return confidential materials. Question: you listed DN 10036-02. This DN is the request for confidential classification of Confidential DN 09925-02. & 09925-02 should have been declassified on 4/2/04, but CCA rec'd. a request for extension (DN 04218-04) for 09925-02. The request for extension received in April never had an order go out on it. ??? was 10036-02 in the memo a wrong no. ??? did you mean for it to be 09925-02 ??? and does the request for extension need to be addressed on 09925-02 ???

thanks.
