RE: Nationwide Communications of Michigan, Inc. (TI239)

Dear Mr. Nenninger:

As background information, Nationwide Communications has an IXC certificate in Florida. The company has not paid the 2002 and 2003 Regulatory Assessment Fees and the Commission is receiving mail addressed to Nationwide Communications returned by the US Postal Service. I had written the company on June 10th about nonpayment of the Regulatory Assessment Fees being past due and that letter was also returned by the US Postal Service. I remailed the letter to your address yesterday since the envelope provided it as Nationwide's new address.

In researching Commission documents for Nationwide, I found a letter dated July 17, 2003, from Mr. Gregory T. Andrick with Great Lakes Telephone, which advised that his company had purchased certain assets of Nationwide out of bankruptcy. Mr. Andrick suggested we contact McTevia & Associates, the debtor-in-possession.

The Commission has not received any notice that Nationwide Communications of Michigan, Inc. had filed for bankruptcy protection. If the company is no longer in business and has need of its IXC certificate in Florida, can you provide us with proof the company has filed for bankruptcy, request cancellation of the certificate, and ask that any unpaid Regulatory Assessment Fees be written off?

Mr. Nenninger

Mr. Richard J. Makens, President
Nationwide Communications of Michigan, Inc. (TI239)
2333 Commercial Drive
Auburn Hills, MI 48326-2408

Dear Mr. Makens:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. Since payment has not been made, statutory penalty and interest charges are now applicable.

Our records show that the 2003 RAF return notice was mailed on December 12, 2003, and a delinquent notice was mailed on February 20, 2004. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2003 RAF return form is enclosed. Our records also show that the 2002 Regulatory Assessment Fee has not been paid. A copy of the 2002 RAF return is also enclosed. If full payment, including penalty and interest charges, along with the RAF return forms, are not received by July 2, 2004, a docket may be established. Since this will be the third time a docket is established for the same rule violation, staff intends to recommend cancellation of the company's certificate if you do not respond. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2002 and 2003 RAF return forms, either pay the 2004 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.474, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to collections. When returning payment and a copy of the completed 2003 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

Dear Certificate Holder:

The Division of the Commission's Clerk and Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 2003, which was due January 30, 2004. The RAFs return form was mailed to you on **December 15, 2003**, and to date, Commission records reflect that payment has not been received.

According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due. In addition, pursuant to Section 364.285, Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364.

Utilities are charged with knowledge of our rules and statutes. Moreover, it is general Commission practice that all utilities that apply for **Interexchange Telephone** certificate receive a copy of all applicable rules. Further, in accordance with Section 364.335, Florida Statutes, as part of the application process, utilities provide an affidavit indicating that they have read and understood the applicable rules.

If you wish to request another form, please contact David Brown or Valorie Moore at the number below. The payment should be identified with the company code and the company's name. Failure to provide payment within 15 days of this notice will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. As specified above, pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel your certificate. Therefore, it is important that you address this matter now.

If you have paid your fees, please provide us with your check number and the date that it was paid.

Should you have any questions concerning this letter please contact **David Brown** at (850) 413-6267 or **Valorie Moore** at 413-6275 or via Internet e-mail at dbrown@psc.state.fl.us or vmoore@psc.state.fl.us.

Sincerely,
