Ms. Tracy Frederick, Regulatory
OCI (TI831)
3530 Forest Lane, Suite 200
Dallas, TX 75234-7933

Dear Ms. Frederick:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. Since payment has not been made, statutory penalty and interest charges are now applicable.

Our records show that the 2003 RAF return notice was mailed on December 12, 2003, and a delinquent notice was mailed on February 20, 2004. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2003 RAF return form is enclosed. Our records also show that you have a small past due balance for a prior year's fee or statutory penalty and interest charges, which must be paid. A breakdown is enclosed. If full payment, including penalty and interest charges, along with the RAF return form, are not received by July 2, 2004, a docket may be established. Your company may be fined or your certificate cancelled if you do not respond. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2003 RAF return form, either pay the 2004 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.474, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to collections. When returning payment and a copy of the completed 2003 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

If you have any questions, please contact me at (850) 413-6502, by fax at (850) 413-6503, by e-mail at pisler@psc.state.fl.us, or by writing to me at the address below.

Sincerely,
