## Public Service Commission

June 10, 2004

Mr. Steve M. Williams, President  
GlobalTel (TJ022)  
c/o Telecom Compliance Services, Inc.  
1720 Windward Concourse, Suite 250  
Alpharetta, GA 30005-2293

Dear Mr. Williams:

The Regulatory Assessment Fee (RAF) is due by January 30<sup>th</sup> of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. Since payment has not been made, statutory penalty and interest charges are now applicable.

Our records show that the 2003 RAF return notice was mailed on December 12, 2003, and a delinquent notice was mailed on February 20, 2004. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2003 RAF return form is enclosed. Our records also show that you have a small past due balance for late payment of a prior year's fee, which must be paid. A breakdown is enclosed. If full payment, including penalty and interest charges, along with the RAF return form, are not received by July 2, 2004, a docket may be established. Since this will be the second time a docket is established for the same rule violation, staff intends to recommend that your company be fined or its certificate cancelled if you do not respond. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2003 RAF return form, either pay the 2004 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.474, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to collections. When returning payment and a copy of the completed 2003 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.
