RULEMAKING THAT WOULD REQUIRE LOCAL EXCHANGE
TELECOMMUNICATIONS COMPANIES TO PROVIDE LIFELINE SERVICE WITHIN 30
DAYS OF CERTIFICATION.

ISSUED: September 14, 2004

Due to the impending weather conditions facing the State of Florida caused by Hurricane Ivan, the Commission is deferring the September 20, 2004, Commission Rulemaking Workshop addressing Lifeline Service in the above-referenced docket. The Commission believes that industry resources and efforts need to be focused on assisting the citizens of Florida at this time. A notice addressing the rescheduling of the workshop will be issued at a future date.

By DIRECTION of the Florida Public Service Commission this 14th day of September,
2004.
