Thanks for the clarification.

"Amendment of" will be replaced in the docket title based on this information.

Kay, please use this e-mail as clarification regarding BST's letter of September 8, 2004.

The letter indicated two changes: change one related to the addition of the fictitious name of the CLEC, and the second change appears to be a new docket title excluding the word "amendment". Please make the change to the CLEC name, but disregard the element removing "amendment" from the title of the filing because the filing is indeed an amendment.
