Re: Application of Pelzer Communications Corporation for Authority to Provide Competitive Local Exchange Service Within the State of Florida

Dear Ms. Bayo:

On behalf of Pelzer Communications Corporation ("Pelzer"), enclosed for filing are an original and six (6) copies of the above-referenced application. Also enclosed is a check in the amount of \$250.00 to cover the filing fee.

Please note that the financial statements included with Exhibit 1 contain confidential and proprietary information not otherwise released to the public. Unrestricted availability of the details of Pelzer's financial statements would provide competitors with key knowledge regarding Pelzer's financial strategies that would not otherwise be unavailable. Such availability would disclose Pelzer's financial status to competitors and could ultimately place Pelzer in a significant competitive disadvantage. Confidential treatment of Pelzer's financial information is required to avoid commercial and competitive injury. Therefore, the financial statements are enclosed in a sealed envelope attached only to the original copy of this filing. Pursuant to Florida Statutes Section 364.183, Pelzer respectfully requests that the information contained in the sealed envelope be given confidential treatment and that it not be made part of the public record or otherwise disclosed to the public. Pelzer requests that upon issuance of a Certificate the Commission destroy or return the confidential information.
