Docket No. 040301-TP - Petition by Supra Telecommunications and Information Systems, Inc. for arbitration with BellSouth Telecommunications, Inc. (Deferred from September 7, 2004 conference.)

(Continued from previous page)

Issue 2: Should the Commission grant Supra's Motion for Reconsideration of Order No. PSC-04-0752-PCO-TP, issued August 4, 2004?

Recommendation: No. Supra's Motion for Reconsideration of Order No. PSC-04-0752-PCO-TP should be denied because it fails to identify a point of fact or law that the Prehearing Officer failed to consider in rendering his Order. Supra's arguments have been considered and rejected by the Prehearing Officer, or the arguments are new, and thus not appropriate for consideration in the context of a motion for reconsideration.

APPROVED

Issue 3: Should this docket be closed?

Recommendation: No. The docket should remain open to determine the merit of Supra Telecommunications & Information Systems, Inc.'s First Amended Petition.
