Kay you were right and I was wrong (on this one). Please remove the transfer and go back to the original.

Do you mean you want "transfer" dropped from the title? When we first opened the docket, it was titled as a name change only, then you later asked that the title be changed to include "transfer."

Should "transfer" be dropped?

Kay, double check this one and make sure it states, Request for name change and does not mention the word transfer.
