- nonrecurring charges and monthly rates, including any applicable fees, taxes and other charges, will be waived. There will be no charge for local calling.

Further, BellSouth has invoked the use of the emergency clauses in Section A4 of our General Subscriber Service Tariff to waive service order charges for the relocation and the return of displaced customers. In addition, we plan on working with the customers who have been impacted by the storm on their billing and payment arrangements on an as needed basis.

We ask that this request be given priority treatment and that the waivers be granted effective Tuesday, September 21, 2004. Thank you for your assistance in this matter. If you have any questions or need any additional information, please let me know.

Yours truly,
