1. My name is David T. Bromley. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Power Systems Regulatory. My business address is 9250 West Flagler Street, Miami, Florida, 33174. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information for which I am listed as Affiant and which are included in Exhibit A to FPL's Request for Confidential Classification of Materials Provided Pursuant to Audit No. 04-105-4-1. Documents or materials that I have reviewed and which are asserted by FPL to be confidential proprietary business information include customer-specific account information. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. AFFIDAVIT OF LOURDES F. SORI

BEFORE ME, the undersigned authority, personally appeared Lourdes F. Sori, being first duly sworn, deposes and says:

1. My name is Lourdes F. Sori. I am currently employed by Florida Power & Light Company ("FPL") as Technical Systems Manager A. My business address is 9250 W Flagler St, FL 33174. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information for which I am listed as Affiant and which are included in Exhibit A to FPL's Request for Confidential Classification of Materials Provided Pursuant to Audit No. 04-105-4-1. Some of the documents that I have reviewed and which are asserted by FPL to be proprietary confidential business information include amounts paid for rental of space on cellular towers owned by FPL pursuant to contracts with wireless providers. The contracts prohibit the disclosure of this information. If this information were disclosed, it could harm FPL's ability to contract on favorable terms with these providers in the future. Further, disclosure of the amounts FPL charges for rental of cellular tower space may harm FPL's competitive business interests and may impair the competitive business of the wireless providers that rent tower space from FPL. Also, documents or materials that I have reviewed and which are asserted by FPL to be confidential proprietary business information include customer-specific account information. It is FPL's corporate policy not to disclose customer-specific information. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.
