I forgot to tell you on the phone that the letter needs to state the company does not have any customers (if the company did have customers, it would have to provide us a copy of its "notice to customers" telling them they have to choose another carrier by a specific date). Thanks.

Just above the second bold line that says "Current company status". The line above states "As provided in Section 364.336 Florida Statutes, the minimum annual fee is \$50 "

I got them both, thanks, but I know I am missing it, where on the form does it tell you the minimum fee? Vicki

Yes, the RAF System is set up so that I can only send one form at a time. Our IT bureau got back to me and told me to try again. I'm glad the IXC form at least went through. I also just sent the CLEC. Let me know if you did not get it. Thanks.
