**Re: CODETEL International Communications Incorporated  
Proposed Changes to PSC Tariff No. 1  
Company Code TJ863**

Dear Ms. Salak:

Pursuant to Section 25-24.485 of the Florida Public Service Commission's rules, please find enclosed an original and four (4) copies of CODETEL International Communications Incorporated's ("CICI") proposed changes to its PSC Tariff No. 1.

CICI proposes to lower the initial maintenance fee applicable to \$2.00 Loca Loca prepaid calling cards from \$0.75 to \$0.25. The change will affect both cards sold after the effective date as well as cards already in circulation. Although customers currently holding unexpired \$2.00 Loca Loca cards will be charged a different rate than the one that appears on the card, CICI submits that the change will serve the public interest because these customers will benefit from lower rates. CICI also increases the payphone surcharge from \$0.65 to \$0.85 on all of its prepaid calling cards. The increase is necessary to provide greater compensation to payphone providers and, consistent with Florida law, will only apply to cards sold after the effective date of the tariff.
