In re: Application of Indiantown Company, Inc. for Increased  
Water and Wastewater Rates in Martin County - Docket No. 040450-WS

Dear Ms. Bayo:

On September 15, 2004, Indiantown Company, Inc. granted additional time to and including October 19, 2004, for the Commission to act upon the Company's request for interim rate relief in this docket.

After further discussions with PSC staff, the company hereby grants a longer period of time for the Commission to act on interim rates and to determine whether or not to suspend final rates. The company agrees that the Commission shall have 60 days from the official filing date to take each of the actions cited above, and the staff has indicated that it will perform its review as expeditiously as possible.

Please contact me if you have any questions.

Sincerely,

David B. Erwin
