Tommy, don't forget that the title of Docket No. 040591-TI needs to be changed to remove all reference to TI189, which is going to be a bankruptcy cancellation and I will handle that portion of the company's request. The company paid the 2003 and 2004 RAFs for TI306 and it is OK to go forward with Docket 040591 once the title is changed.

The company paid the 2004 RAF for TX257 and it is OK to go forward with Docket No. 040599-TX. Let me know if you have any questions. Thanks.

Subject: RE: Lightyear Communications, Inc. and Lightyear Telecommunications, LLC

Dear Ms. Hunt:

I wanted to get back with you about the company's request for cancellation of three of its certificates.

TI306 - Lightyear Telecommunications, LLC

The company owes the 2003 fee plus penalty and interest, and the 2004 fee. As soon as full payment is received, staff will go forward with Docket No. 040591-TI to grant the company a voluntary cancellation.

TX257 - Lightyear Communications, Inc.

The company owes the 2004 fee. As soon as payment is received, staff will go forward with Docket No. 040599-TX to grant the company a voluntary cancellation.

TI189 - Lightyear Communications, Inc.

The company owes \$690.02 penalty and interest for late payment of the 2001 fee and the 2004 fee. As soon as payment of the 2004 fee is received, staff will open a docket to cancel the company's certificate due to the bankruptcy and request permission to write off the \$690.02.

Please let me know if you have any questions. Thanks.

Paula:

I spoke with our General Counsel as I said I would. He advised me to provide you with the attached Order issued by the Bankruptcy Court regarding the liquidation of the above-referenced companies. This Order was mailed to all the Public Service Commissions and other creditors advising them of the deadline to file any claims. Please check with your Legal Department on this as they may well have already filed.
