(Continued from previous page)

Issue 2: What is the rate base of Brendenwood at the time of transfer?

Recommendation: The rate base, which for transfer purposes reflects the net book value at the time of transfer, is \$7,191 for the Brendenwood water system as of March 1, 2004.

APPROVED

Issue 3: Should the rates and charges approved for this utility be continued?

Recommendation: Yes. The buyer should continue charging the rates and charges approved for Brendenwood until authorized to change by the Commission in a subsequent proceeding. The tariff pages reflecting the transfer should be effective for services provided or connections made on or after the stamped approval date on the tariff sheets.

APPROVED

Issue 4: Should this docket be closed?

Recommendation: Yes. If no timely protest by a substantially affected person is received to the proposed agency action issue, a Consummating Order should be issued upon the expiration of the protest period and the docket should be closed.
