Re: Fuel and Purchased Power Cost Recovery Clause with Generating Performance Incentive Factor; FPSC Docket No. 040001-EI

Dear Ms. Bayo:

On April 1, 2004 we filed Prepared Direct Testimony and Exhibit (WAS-1) of Tampa Electric Company's witness, Mr. William A. Smotherman, regarding the company's Generating Performance and Incentive Factor ("GPIF") true-up for the period January 2003 through December 2003. Subsequently, the responsibility for testimony regarding Tampa Electric's GPIF related matters was transferred to Mr. David R. Knapp, who submitted Prepared Direct Testimony and Exhibit (DRK-1) on September 9, 2004 pertaining to the projection period January 2005 through December 2005.

This will serve as Tampa Electric's notice that Mr. Knapp adopts and sponsors the Prepared Direct Testimony and Exhibit (WAS-1) submitted by Mr. Smotherman on April 1, 2004, as if the same had been prepared and submitted by Mr. Knapp.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley (handwritten signature)
