Kay, Docket No. 040693-TP only contains the interconnection and collocation elements instead of the usual IURC elements. Please use this e-mail to make the correction to the docket title.

Also, in Docket No. 040723-TP, between the same companies, unbundling is being added to the agreement. The docket title for this needs to be changed to include just the IUC elements.

If possible, please place a copy of this e-mail in each docket file for future reference.
