ponse to Sta

Good morning,

Late last evening I fed ex'd to you some filing in Docket No. 040817-EI. The disc includes a Notice of Service of Response to Staff's Interrogatory No. 17 which attaches the response itself. Can you replace that notice with the attached notice?

To compound the errors, only copy of the redacted responses to our third request for confidential classification was included in the fed ex package. The second copy was in a separate box which didn't get picked up, I guess our fed ex guy didn't see it. That will be picked up and sent today.

Can you help me with all this or do I need to file some documentation or something. Please call me on our toll free number 1-888-223-9191, ext. 2462, if you can help me.

Thanks.
