COMMISSION
CLERK

To Whom:

Regarding the application for original water & wastewater certificates of authorization for the Orange Lake manufactured home community, we, as residents of that community, 5TR06K4 OBJECT!

When we moved into Orange Lake, we were told our land rent included water & wastewater service. Two years ago we were informed that if & where we would be charged for water usage, the amount would be deducted from our rent each month.

Although our rent increase each year, we do not receive any additional amenities & will now be charged for our water.
