Section 8 - Surcharges and Fees

8.1 The Company, at its discretion, will pass through the costs of any regulatory fees or assessments to the end user customer (such as Universal Service Fund, etc.), as allowed by law.

8.2 Cost Recovery Charge - The Company will impose, at its discretion, a Cost Recovery Charge of \$0.81 to offset its costs incurred in complying with regulatory obligations imposed by state regulatory bodies. This charge is not a tax or fee imposed by a government entity.

8.3 Bill Statement Fee - The Company will charge a \$1.50 Bill Statement Fee on all calls which are billed to the customer's local exchange carrier bill (LEC bill). The customer will have the option of paying for the call by other means (credit card or coin), and therefore will not be charged the Bill Statement Fee on these types of calls.

8.4 Payphone Compensation Surcharge – Effective October 15, 2004, ILD will increase the Payphone Compensation Surcharge to \$0.60 (includes administrative fee) for each coinless payphone-originated call. The increase will be applicable for both long distance, global calling card and operator service calls. The Payphone Compensation Surcharge for prepaid calling card calls will increase to \$0.99 per call (includes administrative fee)

(N)

8.5 Long Distance Bill Processing Fee – ILD offers a range of invoicing options to its customers. Invoice options include direct paper billing, e-mail, data files and transfer of detail to secured FTP sites. All forms of invoicing, except for paper billing, will be offered at no charge to the customer. Paper invoices will be charged at a rate of \$1.95 per invoice.

The invoicing options will be provided to the customer when service is requested. If the customer does not make an election, ILD will assume the customer requires a traditional paper bill and will provide such bill in accordance herewith until an alternate method is requested by the customer.
