CUSTOMER NOTICE

ISSUED: September 28, 2004

On February 17, 2004, Mid-County Services, Inc. (**Utility**), completed its application to the Florida Public Service Commission (**Commission**) for increased wastewater service rates.

At its regularly scheduled Agenda Conference held on August 3, 2004, the Florida Public Service Commission took action on the Utility's application. By Proposed Agency Action (PAA) Order No. PSC-04-0819-PAA-SU, issued August 23, 2004, the Commission approved an increase in wastewater rates of 32%. These rates are designed to allow the Utility the opportunity to recover costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such wastewater service.

The increased rates approved by the Commission are effective for service on or after October 1, 2004.

The original rates, the implemented rates, and the new approved rates for wastewater service are on the back of this customer notice.

Sincerely,

Mid-County Services, Inc.
