In addition to the Docket shown above, the same error is also in the amendment between the same companies in 040776-TP - please make the same change to it too.

Thanks.

Dorothy,

Since the CLEC company name is correct in the amendment papers, please change the CLEC name in the docket title to coincide with that in MCD - Interactive Services Network, Inc. d/b/a ISN Communications (TX364). F Y I - this is how I'm going to style my close memo.
