ORIGINAL

Yes, it would be appropriate in this instance to shred the document rather than returning it to the company. Thanks for your assistance.

Adrienne, per our conversation concerning disposition of confidential DN 10968-04 (Exhibits JWR-3, 4, and 5 to the Direct Testimony of Joseph W. Rohrbacher filed 10/11/04 by Commission staff), the document will be shredded rather than being sent to the company, because the document was filed by staff.

Please confirm by return e-mail that this is the appropriate disposition of the document, and I will treat your confirmation as an update or amendment to the directive in your 10/22/04 memo. (DN 11466-04)

Thanks.

Kay
