Re: Docket No. 040001-EI

Dear Ms. Bayó:

On September 9, Florida Power & Light Company ("FPL") filed a Request for Confidential Classification of Power Purchase Contract Information (the power purchase contracts are Exhibits TLH-1, TLH-2 and TLH-3 to the pre-filed direct testimony of FPL witness Tom Hartman). FPL has agreed with the Commission Staff not to designate certain of the Power Purchase Contract Information as confidential. I am enclosing revised Exhibits A-C, which reflect the agreed reduction in confidential designations. FPL is not amending the Request or the supporting affidavit attached as Exhibit D thereto, because the reduction in confidential designations does not affect FPL's grounds for requesting confidentiality. One copy of revised Exhibit A is enclosed in a separate envelope marked "confidential," and eight copies of revised Exhibits B and C are enclosed. I ask that you file these revised exhibits with the Request and either return the original exhibits to me or confirm that you have destroyed them.
