Jeff, in my opinion, BellSouth should file the Public Telephone amendment properly (i.e., under its own cover letter).

Kay,

The above filing show the CLEC name as "Inc." instead of "LLC". Please use this e-mail to change the docket title to indicate the correct company name as MCImetro Access Transmission Services, LLC (TA005).

In addition, an amendment for Public Telephone Network, Inc. agreement was attached to the letter and amendment for MCImetro Access agreement. I'm not sure how you want to handle this so I will wait for your suggestion.

Robyn, F Y I the above. Also, I'm not sure if the Public Telephone Network, Inc. amendment was filed under separate cover so you may want to check.
