Dear Customer:

As you will likely recall, Florida Water Services Corporation and Aqua Utilities Florida, Inc. (Aqua) announced in April 2004 that the companies had reached an agreement to transfer the remaining Florida Water systems to Aqua..

The attached public notice, which addresses the transaction, was originally sent to you at the end of August, 2004. However, because of the turbulent weather that plagued Florida and other parts of the South during that time, we understand that it is possible that you might not have had the opportunity to review the notice, which details how you may comment on the transaction. For that reason, we have decided it would be best to resend the notice to ensure that everyone has had the opportunity to read it.

We look forward to continuing to serve you.

Sincerely,
