Kay, I am told that we need that material for just a little longer. The matter will resolve within the very near future and at that time a memo will issue requesting the return of the confidential materials.

Lee, the following document:

06357-03 filed 7/16/03 by BellSouth - Response to staff's 7/9/03 subpoena duces tecum without deposition

was an undocketed, confidential filing under a claim. Are you familiar with it?

I'm checking to see if it can be returned to BellSouth at this time.

Kay
