Dear Ms. Bayo:

This letter is to notify you of the City of Longwood's objection to the notice dated October 22, 2004 from Florida Water Services Corporation.

This notice is for the sale of its facilities in Florida including the Florida Central Commerce Park wastewater facility located within the City of Longwood.

The City of Longwood is only objecting to the sale of the facility which is located within the City of Longwood. This facility has not resolved permitting issues with FDEP as related to the reuse system which is disposing the effluent into the City of Longwood Stormwater system. The City of Longwood would like these issues resolved prior to any transfer of this facility.

Sincerely,

John J. Drago  
City Administrator
